Linda May & Louisa May

At our annual Re-dedication of Westerly's Civil War Memorial Library we read the plaque by the auditorium doors:

“Erected to commemorate the noble deeds of the volunteer soldiers and sailors of Westerly and vicinity in maintaining the union. 1861-1865”

This year's program featured a tableau by Donna Celico and a portrayal of Louisa May Alcott by Ruth Crocker. Next to Louisa May is Linda May Norton, an Alcott descendent.
